

FARM SATHI

12 Jan 2021

To whoever it may concern

This is to certify that Charan Kamarapu, UnderGraduate at Indian Institute of Information Technology, Design & Manufacturing, Jabalpur has successfully completed his internship at Farm Sathi (a proprietary of Dhi Sathi Robotics Pvt. Ltd.) from 21-09-2020 till 21-12-2020 for a period of 3 months under the guidance and mentorship of Susanth Masana, Project Manager for the Computational Agriculture initiative. His tenure includes 1 month 15 days of WFH Internship and 1 month 15 days of Onsite Internship.

Charan's responsibilities in the role of an intern were

- Design and development of Electronic circuits
- Developing code for Microcontrollers
- Research and development of various Machine Learning models
- Research and development of Auto Navigation techniques

During the course of the internship, Charan has shown a great amount of responsibility, sincerity, and a genuine willingness to learn, and a zeal to take on new assignments & challenges. In particular, his coordination skills and communication skills are par excellence and his attention to details are impressive.

Sincerely,
Susanth Masana
Director
Dhi Sathi Robotics Pvt. Ltd.
